### PROJECT NAME

Fishers Hotel

### PROJECT LOCATION:

Pitlochry

### PROJECT VALUE:

£1.6m

### PROJECT DURATION

26 weeks

### CONTRACT TYPE

Competitive

## PROJECT DETAILS

Sharkey were appointed as fit out contractor on for the refurbishment of the Fishers Hotel. The hotel was built in 1830 and is prominent on the High Street in Pitlochry.

The refurbishment comprised the modernisation of 55 bedrooms over the four floors. The works to the bedrooms included repairing dry rot, repair of the windows and the replacement of timber lintels and joists. The rooms were then completely rewired and the walls plastered. The en-suite bathrooms were completely overhauled, installing new sanitaryware and ceramic tiling.

On the ground floor we completed the refurbishment of the reception, drawing room, function suite and ladies toilets. These required new partitions, flooring and decoration throughout.
