PROJECT DETAILS

Sharkey were appointed as general and bespoke joinery sub contractor to Sir Robert McAlpine for this prestigious project.

The works comprised of the restoration and refurbishment of existing timber panelling, historic door systems and sash and case windows.

Sharkey also carried out finishing joinery to all areas of this city centre Headquarters.

A museum was created for the bank within the lower levels of building which is open to the public.

Our attention to detail and sensitivity to the historic value of the work was highlighted.
