PROJECT DETAILS

Sharkey have worked with a number of clients located within Edinburgh Park, this particular project for JP Morgan Chase required the interior fit out of their 2nd floor offices at Lochside View.

Works comprised of alterations to the existing mechanical & electrical services to coincide with the formation of the new comms room. The package joinery elements included the provision of meeting rooms and breakout areas formed using high specification glazed partitioning systems.

Bespoke manufactured items included a slatted timber feature wall in the reception area, storage units and timber screens within the breakout areas.
