PROJECT DETAILS

Sharkey were appointed as package contractor for the joinery fit-out package at Norwich Union's new call centre in Bishopbriggs.

The joinery package comprised of huge feature walls panelled in Bamboo Timber that ran along the main internal street. The main open plan call centre to the rear of the building had timber and glass clad pods for meetings and break-out sessions.

The mezzanine level that over looked the call centre has two large meeting rooms, again clad with Bamboo timber.

Sharkey also completed other joinery work in the restaurant area on the ground floor.
