### PROJECT DETAILS

Sharkey were appointed by Tesco Finance as the managing contractor for their new Haymarket Yards office facility in Edinburgh.

The project includes the interior fit out of a ground floor staff restaurant, offices over 3 floors and the provision of an executive suite.

The first phase of works began with the installation of the comms room on the 1st floor. Following this, Sharkey completed the fit out of the remaining floors, providing the phased hand-over of the building to the client. This was a key factor of the project, along with the fast track programme and allowed the client early occupation to mobilise their staff.
