PROJECT DETAILS

Sharkey recently completed the package joinery fit-out for Balfour Beatty at their University of Edinburgh - School of Informatics development.

The works took place over the 7 floors of the University's state of the art building as well as the roof top terrace and balcony. The joinery package included Cills & Skirtings, Doors, Hardwood Ceilings & Wall Linings.

As well as the package works, Sharkey were also responsible for providing a bespoke reception desk, manufactured by our bench- hand joiners at our Newhailes headquarters.

Other works included the installation of a Robotics Services Track and associated services, and the provision of Toilet & Shower areas throughout.
